What is MarketMaker?

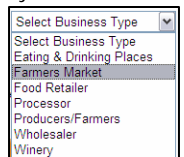

Discover How MarketMaker Can Work For You!

Make it easy for vendors & consumers to find your farmers' market by customizing your free profile.

1. First, go to <http://www.ohiomarketmaker.com> and check to see if your market is already listed.

- Begin Your Search
- Find a Business
- Select Business Type
- Farmers Market

2. Register or update your listing. If you already have a listing, simply update the listing by logging in to the Member Area.

If you do not have a user name/password, Request Account Access. You will receive an email with easy to follow instructions.

If you do not have a listing, Register Your Business and add your Business Profile.

3. You can also ...

- * Map consumer groups in your farmers market area
- * Check out and post the Buy/Sell Forum
- * Create links and groups to make it easy to stay connected with vendors and other key partners
- * See how it's working for you by logging in and checking out your MarketMaker activity report.

A free, easy to use web-based resource already used by thousands of food producers, buyers and others in the food supply chain.

Don't be left out!
